

# Charles River Pollution Control District

Franklin · 1973 · Medway

May 18, 2022

To: Septage Haulers

Re: Ban on Oil and Grease Acceptance

Effective July 1, 2022 the District will **no longer accept oil and grease.**

Please find attached the revised "Requirements for Septage Receiving 2022" which reflects the change.

Violation of this requirement will result in a fine of \$2,000/1,000 gallons and the suspension and/or loss of septage privileges.

Please contact me if you have any questions regarding this correspondence.

Sincerely,

A handwritten signature in blue ink, appearing to read "Elizabeth Taglieri". The signature is stylized and fluid.

Elizabeth Taglieri, P.E.  
Executive Director
